# April Recap!

What I've done, and what is upcoming.

by [Cheeky Charlie](#) on May 2nd

April went by in a blur!

When I got my exam schedule I thought that it was ideal.. But there was one period where I had 11 days between finals, and they crept by painfully. By the time I wrote the very last one I felt cheated, because there was only one (guilt-free) week until the start of the next semester.. Oh well! Hopefully I have more time between summer and fall semester - keep your fingers crossed for me.

Lots of other things were peppered into the month, surrounding my exam schedule. I had some lovely dates, received beautiful flowers, and a few spicy sexting sessions!

One of the highlights of my month was being able to [meet up with my wonderful friend, Cindy!](#) We were able to meet up one Friday evening after we had both had lovely dates, and share drinks and food Downtown Halifax. What a lovely way for us to close April, and say 'see you next time' as she leaves the city!

You all know by now that the best place to keep up with anything old or new is over on my [socials](#), like [twitter](#), or on my [website](#). Both saw the release of my most recent [product review](#) on April 22nd, which is up for your viewing pleasure.. And my pleasure, I suppose ;)

I am so appreciative of the companies like [Naughty North](#) and [Betty's Toy Box](#) that give me access to all of these cool products, allow me to delve into so many fantasies that I'd never thought about trying, and overall enhance my experience while I work in this industry!

The luck continued, when a few weeks ago [Funzze](#) reached out to me about their affiliate program. I am now just waiting for the box to arrive with the things that I have chosen to try and review. have 19 different [product reviews](#) up now, and clearly many more to come!

Keep reading for a breakdown of when you can expect my next sexy thoughts..

# May Upcoming!

Which ways are you keen to keep up with me?

---

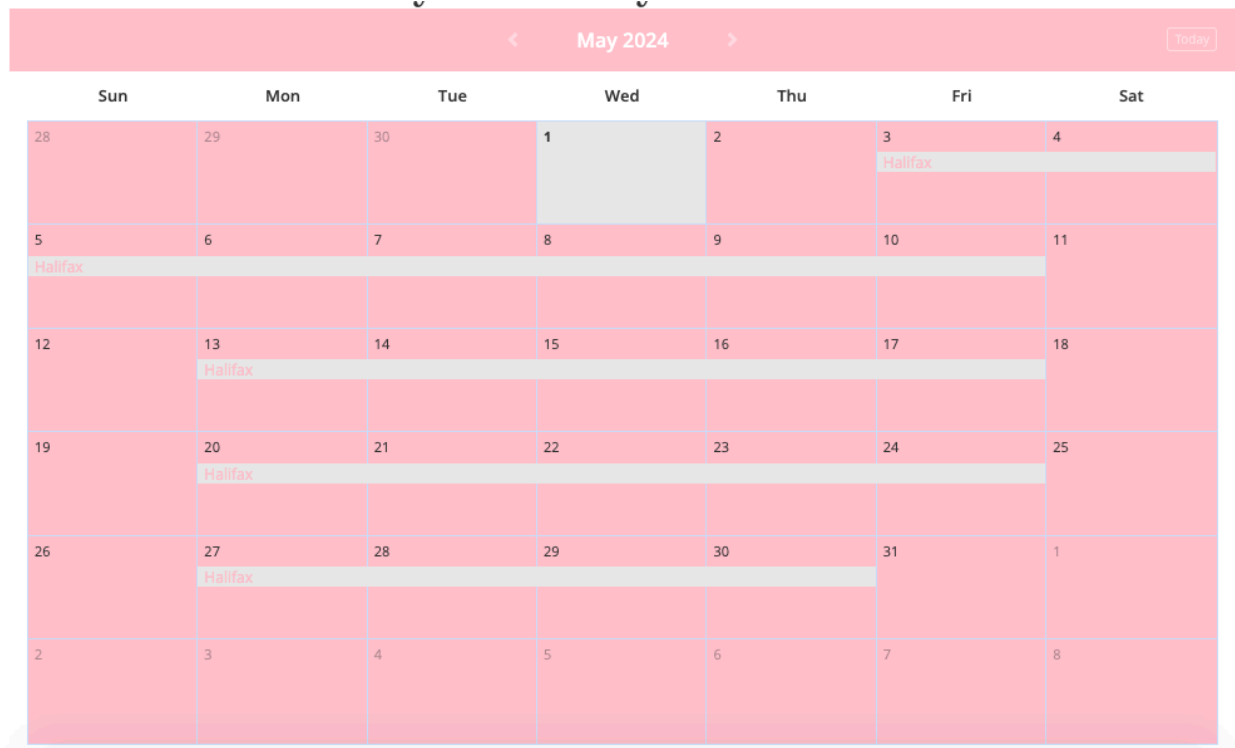

This month I plan to release two product reviews. From [Naughty North](#)/[Betty's Toy box](#), I have a specialty lube that I am trying, and should have my review up on my website

mid-month. By the end of the month, I would like to post a review for one of the adult toys that is on the way from [Funzze](#). One is a sucker and one is a vibrator.. How will I choose!?

The people who subscribe over on my [onlyfans](#) also know that when a review goes up they get a special PPV clip in their inbox. That is the place to be if you want the x-rated version of my product reviews!

As far as full service goes this month.. I will be in Halifax! I currently have no plans to tour for the month, but can be persuaded if you're keen to sponsor my tour or set up FMTY.

Check out my calendar here or on the [booking page](#) of my [website](#).

June Sneak Peek:

I'll add a small tidbit.. In June it is my plan to [meet my stunning friend Charlotte Maeve in St. John's, NFLD for a long weekend](#). We have exciting plans to enjoy the city, the lovely gentlemen, and get screeched in! Not something to miss, if this is your city, as you know through my newsletters that I have cut back on touring extremely since starting school!

Short, but sweet.. We will see what happens this month, and I hope to get to see/meet you xo
