

Cheeky Charlie June Newsletter

.....

# May Recap!

What I've done, and what is upcoming.

by [Cheeky Charlie](#) on June 6th

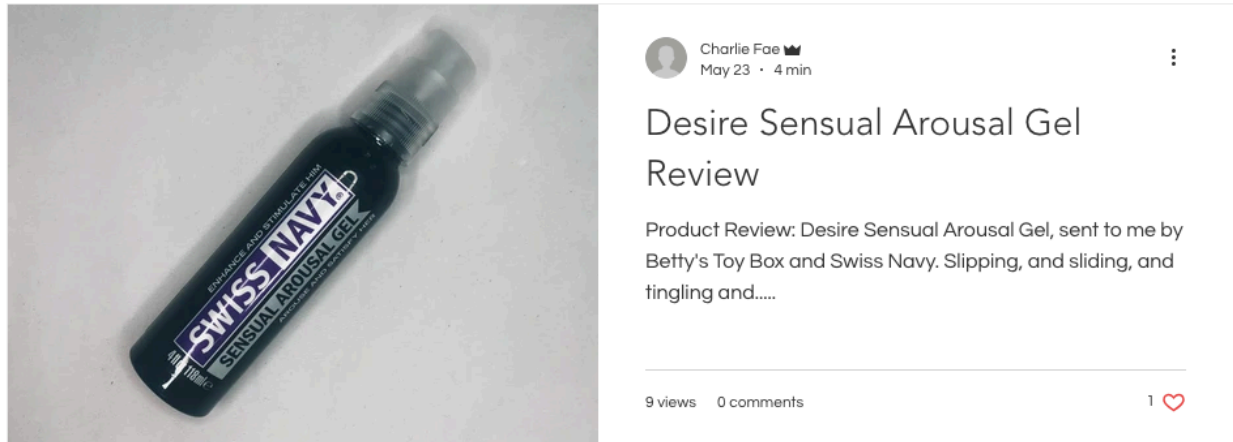

The last month was so busy it turned into this month, and now here I am sending out my newsletter on the 6th day of the month! Better late than never, eh?

You guys kept me busy in Halifax this month, and we've finally hit the time of year where it is necessary to turn on the fan in the bedroom of my space. In May I had some [lovely duos](#), [thoughtful gifts](#), and got to [attend a drag show](#) with a special lover!

Over on my [onlyfans](#) there have been lots of new posts and I hosted a [tip & strip](#) event! Thanks to everyone who interacts over there, tips, and attends my lives! It is much more fun when you fans are there!

As far as product reviews go, I have two different announcements. One, which you may have guessed is that I have released another product review! Mid-may I got to do a different type of review for a lube instead of a toy! It was so fun, and I enjoy using this lube for as long as I have the bottle. Then I'll certainly be tempted to buy more.

You can read about it [here](#):

The second thing that I have announced, if you noticed on my socials, is that I have become an affiliate of another company! There will be reviews upcoming for products that I receive from [Funzee](#)!

Outside of all this glamorous fun, you know me, I've been mainly studying! Life is busy, but that is how I like it!

## June Upcoming!

Which ways are you keen to keep up with me?

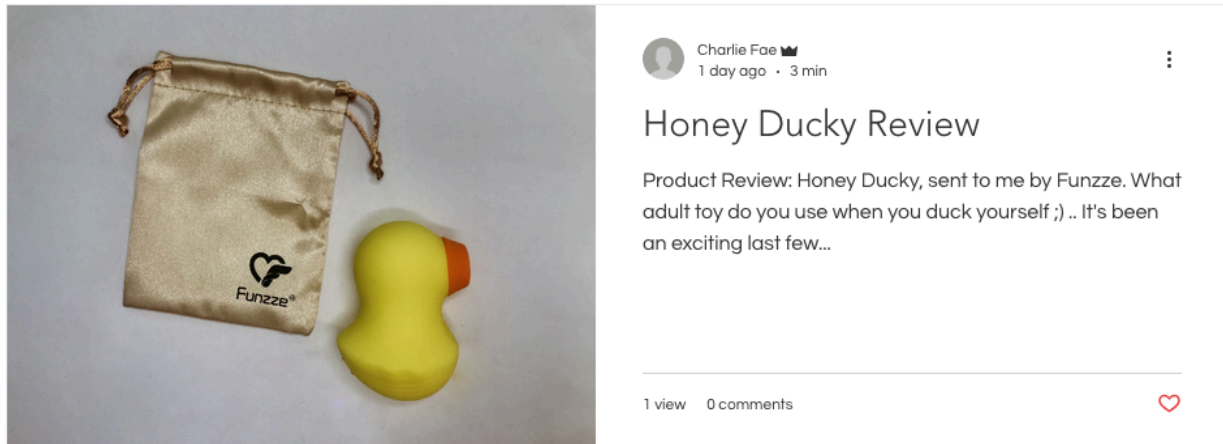

---

Part of the reason that I am late to getting this newsletter to you is that I entered this month celebrating my birthday! I had plans made with friends, and I appreciate your patience more than anything when I sit here thinking about all of the fun I had over that end of may/beginning of June weekend!

As always, I am celebrating the entire month of June! (As I should) I would love to plan a special birthday month [booking](#) with you to celebrate! Or, if you want to spoil me by

sending something to my door there are some great options on my [Amazon wishlist/wishlist page](#) of my [website](#)!

As you are receiving this newsletter, I have sent out my first June new product review for my first Funzze product! The Honey Ducky was a great way to start my new journey with this affiliate company! Take a look [here](#):

I will have another coming out for my second Funzze product before the month is through!

Next week, I will also be sending out the x-rated version of trying the Honey Ducky over on my [onlyfans](#)! Make sure to subscribe if you want to get that [onlyfans exclusive](#) video in your inbox as PPV!

There will also be a lot of incoming content on not only [onlyfans](#), but also [manyvids](#) - as Charlotte Maeve and I are planning to make a lot of **\*\*fire\*\*** content while we are on tour together!

On that note, I will be on tour in [St. John's, NFLD](#), from June 7th-10th (this weekend!) It is my first trip there since my visit in October of 2023! I am very excited, and Charlotte and I are looking forward to getting screeched in on our naughty trip away!
