June Recap!

What I've done, and what is upcoming.

by [Cheeky Charlie](#) on July 3rd

If you've been living under a rock then you may not know that June was my birthday month! It started off absolutely crazy - with friends in and out to celebrate my birthday on that first week. One of my best friends was able to fly in and spend a weekend with me. There were many drinks had, and garlies eaten from Pizza Corner!

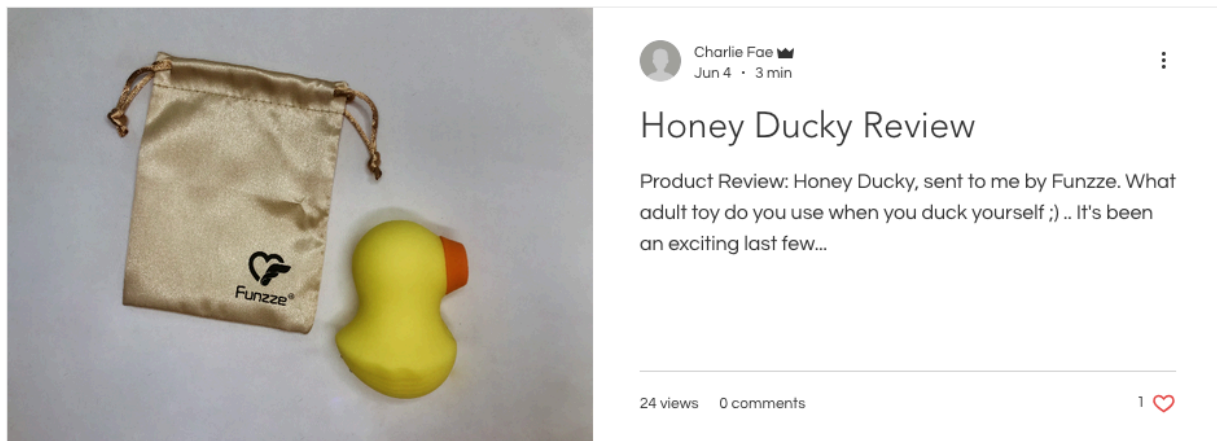

My lovers are always so good at surprising me with gifts that they know I will love.. My fitbit, my robot vacuum. So, it makes sense that this year most of my lovers sent me monetary gifts - which are just as much appreciated! Of course, when I think of anything else that makes my life easier it will show up on my [amazon wishlist](#). As well, it is definitely not too late to spoil me if you didn't get the chance to send something along for my

birthday.. It is truly always a great time to take care of me, and will always put a smile on my face 😊

In the midst of all of this birthday excitement I had my first product review come out for [Funzze](#), now that I am an affiliate for them. This means that you can expect much more of me trying cool new adult products. As well, if you didn't know, you can use my code [CHEEKY10](#) for 10% off when shopping with [Funzee](#).

(I also have a code for 10% off with [Naughty North](#) and [Betty's Toy Box](#).. The code when ordering through these websites is just CHEEKY.)

Here is the review for the [Honey Ducky](#), if you haven't yet had the chance to read:

My [website](#) is ideal for finding out my honest thoughts on the products I get to try. If you're looking for the x-rated version of this review.. Well, that one can only be found exclusive to my [onlyfans](#).

For full service, as always, I spent most of my month sweating in my little hosting spot downtown Halifax.. But I did get away for a sexy weekend in St. John's with my gorgeous friend Charlotte Maeve. The Newfie's certainly showed us a fun weekend! We were [screeched in](#) (so I guess I'm a Newfie now, too), ate lots of [delicious food](#), and I was spoiled with that accent in the bedroom ;) St. John's is a place I will be excited to visit again in the future, so keep an eye out if that is where you're reading this newsletter from. I'm not sure how soon it will be, but it will happen again!

Charlotte and I were also spoiled with duo's when we flew into Halifax.. It was a hot and heavy few days in the city with those who wanted a duo with two voluptuous women!

The rest of the month in Halifax, for me, was what they would call "booked and busy". My time was a bit less than usual, as I had some time off at the end of June to spend with my family, but you guys kept me busy over my hosting time downtown. I have also been so lucky to go out on a few experience dates to [drag shows](#), and the [circus](#)! Experience date bookers are the real MVP for getting me away from my school work for a while. I'm hoping we can keep the hot & sweaty summer vibe going as we head into July..

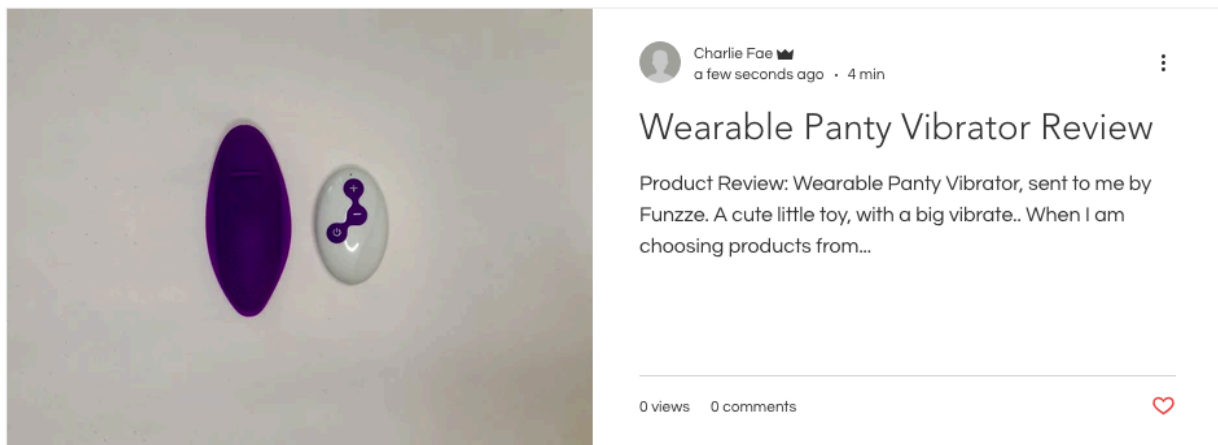

July Upcoming!

Which ways are you keen to keep up with me?

Starting July, I already have a new [product review](#) for you to check out! This vibrating panty insert was a very interesting one to try, and you will likely see more about it on my twitter soon!

The x-rated version will also be showing up in your [onlyfans](#) inbox shortly, and because I took so long to edit the videos for the honey ducky, and this panty vibrator they will be going out as 2 for the price of one! The videos can be purchased together in your [onlyfans](#) inbox via PPV! If you are just signing up to my [onlyfans](#) and do not have the video by this evening, just send me a message there and I can send them out to you!

Check out the PG product review [here](#):

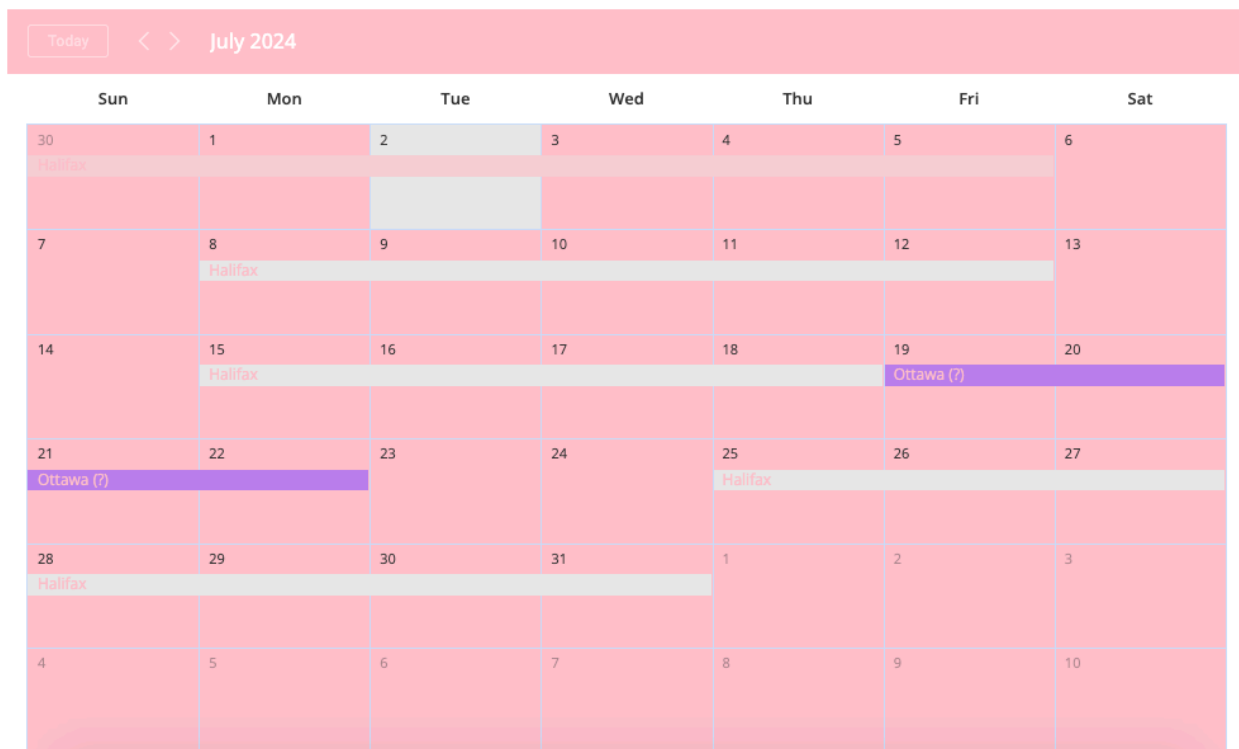

Now, I have no more toys waiting in the closet so it will likely be at least August before I get another new product to check out!

My full service plans for this month are mostly in Halifax. I am finishing a few courses, and it never seems like very long before I am in new ones. I would love to spend some of my free summer sun hours getting naughty with you ;)

I *may* end up in Ottawa for a long weekend, in which case there will probably be more duo's offered with beautiful Charlotte!

I was scrolling twitter one day when I happened to notice a tweet about a 'spanking competition'.. Lots of you know that I am a spanko at heart, so I popped into the DM's of the poster to see what the deal was. Since then, it seems that they will be going forward with this as an event, and I'm hopeful that I can work out all of the details to be in attendance. Then I will spend the rest of the weekend getting up to naughty business in Ottawa!

Here, you can see my tentative schedule that I posted on my [website calendar](#):

Sun	Mon	Tue	Wed	Thu	Fri	Sat
30 Halifax	1	2	3	4	5	6
7	8 Halifax	9	10	11	12	13
14	15 Halifax	16	17	18	19 Ottawa (?)	20
21 Ottawa (?)	22	23	24	25 Halifax	26	27
28 Halifax	29	30	31	1	2	3
4	5	6	7	8	9	10

Any changes will be updated on the [booking page](#) of my [website](#). This, and [twitter](#), are the best ways to keep up with my plans!

If I've had the opportunity to meet you before, then I hope to see you again soon. And if we have yet to meet, I hope you take this newsletter in your inbox as a sign and reach out to get in my schedule (and eventually my bed) xo
