October Recap!

What I've done, and what is upcoming.

by [Cheeky Charlie](#) on November 1st

This month was a whirlwind, filled with the challenges of balancing school, work, and doctors appointments. Midway through, I found myself feeling a bit burnt out and stressed. Thankfully, I'm wrapping up the month with some much-needed time off to recharge!

I stayed in Halifax this month, hosting from my little space downtown. My schedule was so packed that I didn't even consider a tour, and I ended up missing a few planned events, including a livestream on my [OnlyFans](#). But it wasn't all work and no play—at the beginning of the month, I had the pleasure of [meeting the lovely Zoey Noel for lunch](#). We had a fantastic time, and I can't wait for her to visit again. Keep an eye out for some exciting duo sessions in the future!

I also produced a new [product review](#) this month, this time testing the [Glass Glow In The Dark Butt Plug](#). To be honest, it didn't quite meet my expectations and may be the first product I've tried that I didn't really love. However, I have some interesting thoughts on how it could still be fun for those who appreciate it. You won't want to miss my full review—[check it out here](#):

On a lighter note, I had a successful month selling multiple pairs of panties! If you're interested in this service, feel free to reach out. For local buyers, I can arrange a drop-off, and for those farther away, we can discuss shipping options.

Near the end of the month, I enjoyed a delightful outing with a special lover (who knows that I am a 420 lover and brings me special treats) [at Tako Loko](#). We both agreed it's a spot we'll be returning to for more delicious bites.

To cap off the month, I revealed my [Halloween costume](#) yesterday! I had asked for your guesses on Twitter, and those who guessed the Hawk Tuah Girl were spot on! Check out the other photos on my [OnlyFans](#) for a closer look.

November Upcoming!

Which ways are you keen to keep up with me?

As we dive into November, I'm excited to share my plans for the month ahead! This is your last true chance to entice me with a tour to any of the beautiful Maritime provinces. I've been longing to visit Charlottetown or Sydney, but I need your help to make it happen! If you're a lover of mine and haven't seen me in a while, now is the perfect time to reach out. I'll be looking for pre-bookings that outweigh the costs of my trip, so don't hesitate to hop into my inbox and start the process. If I don't hear from you, my schedule will be limited to Halifax availability, as indicated on the [calendar](#) below.

Today < > November 2024						
Sun	Mon	Tue	Wed	Thu	Fri	Sat
27 Halifax	28	29	30	31	1	2
3	4 Halifax	5	6	7	8	9
10	11 Halifax	12	13	14	15	16
17	18 Halifax	19	20	21	22	23
24	25 Halifax	26	27	28	29	30
1	2	3	4	5	6	7

In addition to potential travels, I'm also planning to reschedule the live stream I missed last month on my [OnlyFans](#). I'll be pinning a new poll to my profile next week to determine the best day and time for all of us, so keep an eye out and make sure to cast your vote. I can't wait to connect with you all in a fun, sexy way!

And for those hockey fans out there, don't forget that the [Halifax Mooseheads](#) have six home games this month! I would absolutely love to be taken on a [hometown hockey date](#). So, if you're interested in a fun night out, let's make it happen!

I'm looking forward to an exciting November with all of you!
