July Recap!

What I've done, and what is upcoming.

by [Cheeky Charlie](#) on August 5th

July was an exhilarating month full of adventures and wonderful experiences! I spent part of the month on a [central tour to Ottawa and Montreal](#), exploring new cities and indulging in delightful encounters along the way. In Ottawa, I had the pleasure of partnering with [Charlotte Maeve](#) for some unforgettable duos, and spent my free time here [sightseeing around Parliament](#) and the rest of the city. The warm reception at Club Alpha Ottawa during the [Spanking Contest](#) made it even more special—I left with a cute red and bruised butt and some wonderful new friends. I'm eagerly anticipating the next event!

Next, Montreal welcomed me with open arms, treating me to days filled with French kisses and delicious cuisine while I had an incall hosting space for a few days. I am still thinking about those tacos.

After returning, I enjoyed some well-deserved vacation time with my family, cherishing moments with my sweet nephew and soaking up the time with him.

The rest of the month was spent downtown Halifax, beating the summer heat while hosting from my cute little space. For school, I wrapped up two intensive intersession courses and dove into a new chemistry course. Despite the pace, it feels like a refreshing change to focus on just a couple of subjects.

On another exciting note, July marked a significant milestone—it's been four years since I joined [OnlyFans](#). To celebrate, I've kept the content fresh with over 1,000 posts, including 901 photos and 202 videos. If you haven't already, be sure to check out my latest PPV product review videos, exclusive to [OnlyFans](#). And while we're speaking of anniversaries, my [Twitter](#) account also celebrated its fourth year, and I recently shared a fun [product review](#) where I tested the [Wearable Panty Vibrator](#) from [Funzze](#). Curious? You can read all about it [here](#):
