February & March Recap!

What I've done, and what is upcoming.

by [Cheeky Charlie](#) on April 2nd

It's been a bit of a rough winter for me, both mentally and physically. I've been battling with depression on top of being sick on and off, which has made everything feel a bit harder (not in the fun way). As a result, I completely spaced on sending out a newsletter for March, and to be honest, I didn't do as much as I had planned. Depression is a tricky thing - while I managed to keep up with in-person appointments, I was really struggling to keep my head above water with everything else. That said, I did manage to achieve some personal goals outside of work, which was a small victory in itself.

Despite the challenges, my in-person bookings were wonderful. They were a bright spot in the first few months of 2025 and definitely helped me hit my goals, even when everything felt like a lot.

By March, I was starting to feel a little more like myself mentally, though not completely back to normal. I was able to put out my latest [product review](#) for [Funzze](#) for the [Clit Sucker with Vibrating Egg](#), which I hope you will enjoy! If you haven't had a chance to read it yet, I highly recommend checking it out [here](#):

And of course, the x-rated version of the review is available on my [Onlyfans](#), so if you're new around here or missed it, just drop me a message, and I'll send it to you via PPV.

Through it all, I've kept my [OnlyFans](#) updated with new posts over the last couple of months, so there's always fresh content for you to enjoy.

One of the highlights of these past two months was a fantastic duo with my friend [Zoey](#) (check her out, she's so HOT). It was an amazing time, and I'm definitely looking forward to more collaborations like that one in the future!

April Upcoming!

Which ways are you keen to keep up with me?

A heads up regarding my April schedule is important - My availability is ~limited~! I'll be away from Halifax and unavailable for in-person work from April 5th to April 22nd due to a personal commitment I made. I'll still have availability before and after these dates, so be

sure to check the [calendar](#) below for my open spots:

Today < > April 2025						
Sun	Mon	Tue	Wed	Thu	Fri	Sat
30	31	1 Halifax	2	3	4	5
6	7	8	9	10	11	12
13	14	15	16	17	18	19
20	21	22	23 Halifax	24	25	26
27 Halifax	28	29	30	1	2	3
4	5	6	7	8	9	10

Even though I'm away from in-person work, I'll be keeping my [OnlyFans](#) up to date with fresh content! It's been a while that I've been trying to plan this.. So one exciting thing I'm planning during this time is hosting a live session on my [Onlyfans](#). I've put up a [poll on my fan page](#) to see which evening works best for you – April 10th or April 11th – so if you're interested, make sure to [vote](#)!

I'm also working on another product review for [Funzze](#), and the associated [Onlyfans](#) video. They will be ready and out by April 14th, so keep an eye out for that, too!

As always, I appreciate all your support & I'm excited to connect with you all, in whatever way, this month!
