January Recap!

What I've done, and what is upcoming.

by [Cheeky Charlie](#) on February 3rd

I kicked off the new year with lovely company, [ringing in 2025 with my good friend Cici](#). She treated me to delicious drinks and food, making for a really cozy and enjoyable start to the year! I'm glad we were able to celebrate and enjoy.. Before my month got crazy!

After taking a well-needed break over the holidays to wrap up 2024, I was ready to dive back into work when I returned to Halifax. Unfortunately, a pesky winter virus had other plans, and I ended up sick for a bit. Once I got past that, I thought I was in the clear, but then I had a flare-up of vertigo, which threw a bit of a wrench in the start of my vacation plans. While it took me a minute to bounce back, I did manage to enjoy the rest of my time off—and after a long flight home, the vertigo made a brief comeback. Thankfully, I'm starting to feel better now and am grateful to the lovely clients who kept me busy around the times I wasn't able to work!

While I was sick, I was at least able to get some things done on my computer. One of these was to update my [Indigo Books Wish List](#)! Books are some of my favourite gifts, and I will be adding more as I go!

On the content side, I uploaded some fun vacation exclusives to my [OnlyFans](#), and my pink bikini set was definitely a favorite!

It was a new years resolution of mine to be more active on my socials, particularly [Twitter](#) and [Bluesky](#), and I've been doing a much better job staying engaged with you all since I've been back. It's been a slower start to the year work-wise in general, but I'm optimistic that February will bring more energy and good health—fingers crossed!

February Upcoming!

Which ways are you keen to keep up with me?

Winter has definitely settled in, bringing snow and frigid temperatures with it. As much as I'd love to be out and about, I'm keeping it cozy and sticking close to home this month. I'll be hosting on my usual schedule, Monday through Friday from 10AM to 10PM, but with so many projects—both personal and work-related—on the horizon, it's a good idea to plan ahead and book in advance. I don't want anyone to be disappointed if my time gets snapped up, so be sure to check my schedule ahead of time. I look forward to spending time, keeping cozy with you, from my Downtown Halifax space!

Take a look at my [website](#) for my full availability and to see a pic of my [schedule](#)!

I'm aiming to keep up with regular weekday uploads on my [OnlyFans](#), as well as staying engaged on my social media platforms, as I mentioned in January. Keeping things fresh and exciting for you all is a big priority this month!

Also, some exciting news.. two brand-new toys from [Funzze](#) are on their way to me! I handpicked a selection of [vibrators, dildos, and other fun items](#), and they're sending me two to try out. What toys? Well, that's a mystery for now! I'll open the box and reveal them when they arrive. I'm not sure when the [reviews](#) and [R-rated content](#) will be up, but it all depends on when they get here, how long I take to test them out, and then how quickly I can put together a [juicy review](#) and [video for my OF](#). Stay tuned for that!

Everything else upcoming is up in the air! Get in contact with me if you want to plan something naughty and fun this February! xo
