August Recap!

What I've done, and what is upcoming.

by [Cheeky Charlie](#) on August 1st

August was a fantastic month full of delightful experiences and special moments. I had the pleasure of enjoying several lovely dates, indulging in delicious meals, and embracing in some pampering. One memorable highlight was a wonderful date where I was treated to a spa day—complete with a rejuvenating scrub, wrap, and facial. To top it off, I had the chance to try Los Toros for the first time, and the food was absolutely scrumptious! [Check out the post on twitter!](#)

Last night's date was so lovely! First time trying paella and it was delicious! (Couldn't recommend Los Toros more) Then we swung up to The Middle Spoon for a little dessert.. and spent the rest of the evening sexy, snuggly, and chatty lol Thank you Mr, I had such a great night!

Another major highlight of the month was my [first-ever date at the movie theatre](#). We enjoyed classic movie theatre snacks, including buttery popcorn, while watching "Twisters." It was a cozy and fun experience that I'll cherish!

August also brought a steamy and exciting [trio with East Coast Kimmy and Nikki Boudreau](#), thanks to a lucky client who arranged this unforgettable encounter. In addition, I had wonderful lunch dates with [River Wilde](#) and [Stephanie Mystique](#)! I love being able to connect with other companions!

On the content front, I kept my [OnlyFans](#) updated with a full month of new posts, ensuring there's plenty for my viewers to enjoy. I also created fresh content that will be making its way to my [OnlyFans](#) and [ManyVids](#) soon.

Though I didn't tour in August, I made the most of working from my downtown Halifax hosting space, which allowed me to focus on my content and other activities. I attended two amazing drag shows—[Bianca Del Rio](#) and [Marina Summers](#)—thanks to generous tickets from one of my lovers. These performances were a blast and added a vibrant touch to my month.

I also set up a new [Snapchat account](#), where you can catch more G-rated content and follow my day-to-day activities. [Snapchat](#), [Instagram](#), and [Twitter](#) are some of the social media platforms that I keep up to date.

Finally, on the academic front, I wrapped up a chemistry course and finally enjoyed one week of summer vacation!

Overall, August was a month filled with memorable experiences and exciting updates. I'm looking forward to what's ahead and can't wait to share more with you all!

If you're interested in seeing me during this tour, please reach out soon to secure your spot.

For the remainder of the month, I'll be hosting from my downtown Halifax space. To help you plan your visits, here's a photo of my [September calendar](#):
